### ***IMPEXCOR PROFILE***

IMPEXCOR Limited was established and legally registered by RDB in 2008, by Ernest MWUMVANEZA after a long career in coffee industry from farming and semi washed practice to different modern process of specialty coffee. Now IMPEXCOR operates in all provinces of Rwanda with 21 coffee washing stations. This allows us to have access to all coffee profiles that you can find in Rwanda. This enables us to be integral and serve a variant number of Clients during exportation.

At IMPEXCOR Lt, coffee quality, sustainability and consumer loyalty is our main objective. We have initiated several projects to make our farmer financially stable and enhance the well-being of surrounding communities. Those initiatives are water and electricity programs; educational and agricultural programs to our farmers.

IMPEXCOR Ltd plays a big role in job creation especially, during harvesting season where we have 3000 seasonal workers in addition to 80 existing full time employees. The company is in collaboration with more than 20,000 farmers throughout the country and most importantly, we are playing a big role in the creation of different cooperatives including those of women and youth. In addition, we provide agricultural best practices trainings, etc, to enhance sustainability in its tremendous aspect. We also have 3 Coffee Certificates which are: Caf  practice, Rain Forest Alliance (RFA) and UTZ.
